

SUPPORTING ALLERGIC FAMILIES THROUGH EDUCATION

ARE YOU OR YOUR LOVED ONES AFFECTED BY FOOD ALLERGY?

Our Mission:

EDUCATION

- To provide practical tips for coping with food allergies and anaphylaxis
- To share news and resources that allow families to better manage life with food allergies
- To equip food-allergic children with knowledge, experience, and encouragement to advocate for themselves

SUPPORT

- To provide understanding and emotional support to food-allergic individuals and their families

OUTREACH

- To increase awareness of the severity and seriousness of food allergy
- To improve the safety and inclusion of food-allergic individuals within the community

S.A.F.E (Supporting Allergic Families through Education) of Boulder County can help! We are a community-based organization dedicated to improving the health, safety, and well-being of families with food allergies through increased awareness and education. We welcome anyone who is affected by food allergies, whether you have a food allergy yourself or someone you know or love is food-allergic.
